

CONSULTATION REQUEST LETTER

To,

The Head of Department,

Department of Computer Engineering,

Sharad Institute of Engineering Polytechnic, Yadrav.

Subject: Request for Product Development in Web Application

Respected HOD,

Greetings from **Infilemon Technologies Pvt Ltd.**

We are pleased to approach your esteemed department with a request for collaboration on the development of our web application project, **“Rudrisse Ecommerce”**, as per our company requirements.

This collaboration will provide an opportunity for faculty members to engage with a real-time industry project, exchange technical knowledge, and contribute their academic and professional expertise toward developing an effective and industry-oriented web application.

We look forward to your positive response and to establishing a successful professional collaboration with your esteemed institute.

Thank you for your time and consideration.
